# LETR

# Be Part of the MOVEMENT!

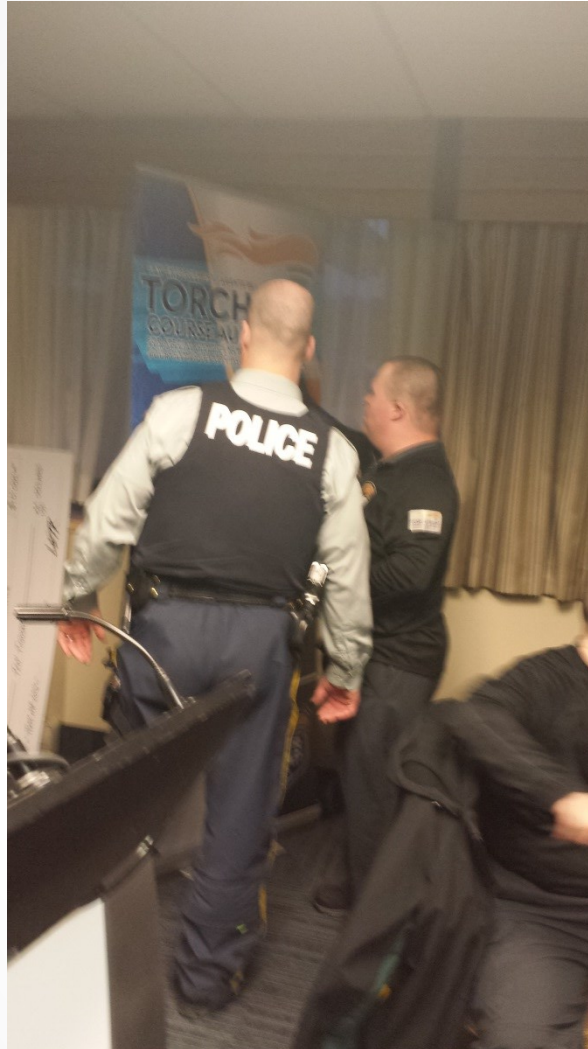

- The mission of the Law Enforcement Torch Run® (LETR) for Special Olympics is to increase awareness and raise funds for the Special Olympics movement. Each year, the LETR initiative grows bigger and better

# LETR presented a \$100000 check to our Olympians

Our athletes say law enforcement officers are truly supportive of the cause – extending to them friendship, acceptance and encouragement.

# Past funding

- Year 2017 Riverview Town Council gave \$500 and provided permission to use the recreational facility, the path and Chocolate Station
- Revenue for that year was \$1 600+
- Year 2017 Riverview Town Council gave \$200 also providing again permission to use the path and Chocolate River Station to set up
- With partnership with Sobeys
- After buying T-shirts and medals revenue of \$1 500

# Funding this year

- We are looking to use the money for media promotion, help with posters as well as an add in the local paper. The media aspects will get us more coverage which is hopeful to attract more people to Riverview to help support the Special Olympics. We are also hoping for the facilities again.
- Hoping for \$1000 from the Town Council during our third year.

CHALLENGE

# Building Communities

- Special Olympics is a force that brings people together and allows them to connect on an entirely new level. People from all walks of life – families, local leaders, businesses, law enforcement, celebrities, government officials, and others – work together to make the world a better place; one which is more respectful, accepting, and tolerant.

# Changing Attitudes

- Part of our mission is to educate people about the dignity and gifts of all people. Most attitudes toward people with an intellectual disability are framed by misconceptions about what they can and cannot do. But look at Special Olympics athletes in competition. You'll see the seriousness, the commitment, and the courage. When you see their accomplishments firsthand, you can't help but think differently. Our attitudes change and our perspectives widen.

- And so, Special Olympics teaches us to recognize our similarities over our differences. We all value leadership, bravery, unity, perseverance, and sportsmanship. Special Olympics reminds us that we are all more alike than different.

# They had fun!
