Presented to: Mayor & Council

Department: Corporate Services

Date: March 11, 2019

Subject: Local Improvement Projects 2019-Objections

As required in Part 12-Local Improvements of the new Local Governance Act, all property owners who will benefit from the improvements planned for Berkley Drive-Pine Glen to McAllister, Devere Road-Pine Glen to Montgomery, Orin Drive and Weir Drive were sent notices advising them of this Public Hearing and giving them the opportunity to submit a written objection by the deadline date of March 8, 2019.

In addition to this public hearing, an Open House was held on Tuesday, February 12th, to discuss in more detail with residents the work to be completed and the local improvement process. Approximately 13 people attended.

One objection has been received from a resident of the Devere Road project, and one from Orin Drive, which is attached. This Public Hearing is for Devere Road-Pine Glen to Montgomery and Orin Drive, as according to the Local Government Act, if no written objections are received a Public Hearing is not required.
