"This place is an excellent get away for a few hours"

Sept

"You feel like you are in the middle of the woods but not far from everything either. They've done a lot of work on the trails from when they first opened the park."

September, 2018

"What a beautiful walking trail in Riverview."

August, 2018

"Beautiful quiet and peaceful area. I've seen lots of people enjoy it in our town."

very

"Definitely a must to do. Easy walking and great views."

June, 2018

"Fantastic! A lot has been done in the past year. I could have sat beside the dam listening to the water for hours."

"Nice trail, good for bike riding and running."

town."

May, 2017

Lovely park with lots to see."

May, 2018

"Can't wait to explore more when I have the time !!"

"Great new trail system. Well maintained and beautiful."

November, 2018

"Beautiful. Well done Riverview to have such a nice trail system in our backyard!"

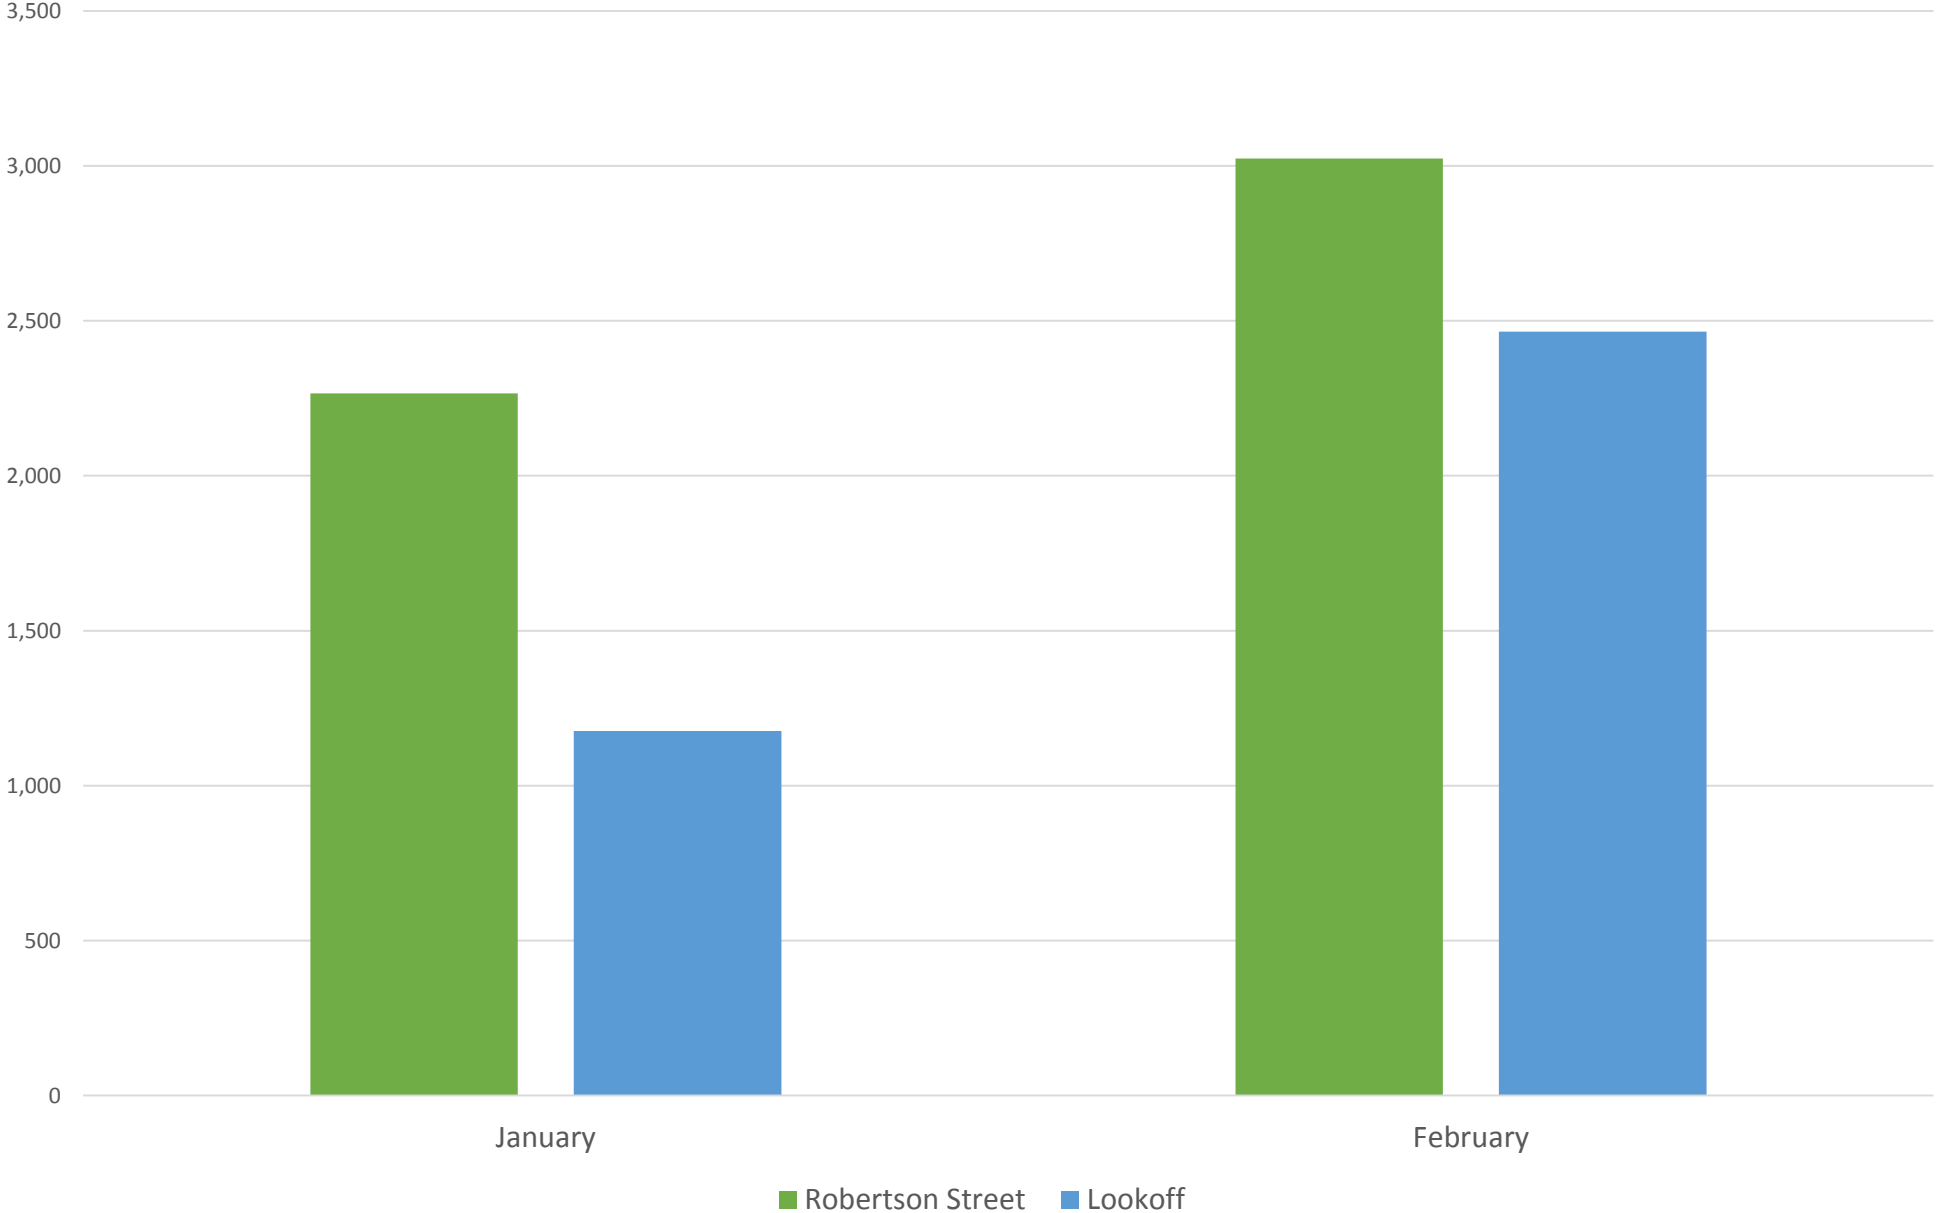

October, 2018

"Beautiful and serene! A variety of

benches to rest along the way and waste cans to keep things tidy. No doggie messes! A great place to visit and enjoy."
