RE: Tender 19-43 Supply & Delivery of 1 New 4.5T Rubber Track Compact Excavator with Cab and Tilt Angle Blade

We received five bids for the above named tender. Bids were received from:

- (1) Bobcat Atlantic - Bid was not accepted due to not being properly filled out.
- (2) Nova International Ltd - \$84,107.52 includes HST.
- (3) Battlefield Equipment Rentals Ltd - \$95,194.61 includes HST.
- (4) Brandt Tractor Ltd – 98,391.41 includes HST.
- (5) SMS Equipment - \$98,675.10 includes HST.

The budget for these Items is Seventy Thousand Dollars (\$70,000.00)

I recommend that the Tender be awarded to Nova International in the amount of \$84,107.52 which includes HST.

This Tender is \$14,107.52 over budget, there will be savings in other parks & rec capital budgets by doing work internally instead of contracting out.

Eric Hopper, Manager Recreation Facilities & Assets
Parks, Recreation & Community Relations

I agree with the above-mentioned recommendation.

Colin Smith, CAO
