Section 2: Status of Department's Operational Priorities for 2019

Priority	Status
Operations	<ul style="list-style-type: none"> An icon to register for "Emergency Alerts" has been added to the town website. Hopefully it will encourage more residents to subscribe for the alerts. Engine 11 has returned from the manufacturer. Repairs were completed as requested. Chief Pleau held another "Fire Prevention" and the "The Promotion of the Health, Safety and Welfare of our Inhabitants" By-Laws

	<p>meeting in mid-April. They still needs more research before a final draft can be completed. Our goal is to have them completed by the summer for final approval in the fall.</p> <ul style="list-style-type: none"> • RFR has ordered four new gas detectors. We hope to have them in service by the end of May. • Chief is working with David Shae to develop a “Fire Safety Plan” for the Pat Crossman Memorial Aquatic Centre. It should be completed by the end of May. • An internal committee was formed to write a “Code of Practice” for the Fire Department Respiratory Protection Program. Once it is completed, it will be sent to WorksafeNB for approval. • Work continues on the Fire Safety By-law. Hope to have it to council be the fall. • The “Records Management” process has been completed for Riverview Fire and Rescue and the records have been dropped off to town hall for the appropriate disposal. • Chief Pleau went to work in the Oromocto Emergency Operations Center to help with the flooding disaster on the 23 April. He returned on the 01 may 2019.
