Excerpt from Community Investment Policy –

* Grants will include funding for projects, programs and operational expenses.

Eligible organizations can submit only one (1) application per year. Any organization applying for grant funding should be sure to include **all** eligible projects or programs taking place throughout the year in their application for funding as they will not have a chance to reapply until the next year. **There will also be no opportunity for additional funding under Sponsorships or Donations in the grant year.**

The Atlantic Wellness Centre received an annual grant for 2017 in the amount of \$10,000
