

Date: March 1, 2021
From: Department of Engineering & Public Works
Prepared by: Paul Richard, P.Eng.
Project: RFQ # 21-04 – Supply and Delivery of Crushed Rock

Three (3) quotations were received on March 1, 2021 at 10:45 am for the above-mentioned project from the following bidders:

Dexter Construction Company Limited \$ 74,600.00 plus HST
Modern Construction (1983) Ltd. \$ 84,765.00 plus HST
Gray Rock Materials Inc. \$ 85,825.00 plus HST

The tender was reviewed to confirm completeness of the submission and was found to be complete.

Purchase Cost before HST (from Tender)	\$ 74,600.00
Non-Refundable (NR) portion of HST	\$ 3,200.34
Total Tender Cost	\$ 77,800.34

Crushed stone is used for water breaks, backfilling culverts, road shoulder material, trail construction, and other operations by two departments and in many different operating budgets. The submission represents a **decrease of 3%** compared with last year's cost on the same quantity of crushed rock.

I recommend that Riverview Town Council award "RFQ # 21-04 – Supply and Delivery of Crushed Rock" to Dexter Construction Company Limited in the amount of \$74,600.00 plus HST.

Michel Ouellet, P.Eng.
Director of Engineering & Public Works

Colin Smith, CAO
