RE: Tender 17-25 – The Supply of One (1) Trunk Mobile Vehicle radio, Six (6) Trunk Mobile Portable radios, Including installation and programming.

A RFQ was sent out for the supply of one (1) Trunk Mobile Vehicle Radio, Six (6) Trunk Mobile Portable radios, including installation and programming. Only one supplier submitted a bid.

The results are as follows:

Supplier	Cost + HST + Freight
Bell Mobility Inc	\$27,036.00 + HST

After a review of the following quote, I recommended we award this purchase to Bell Mobility Inc.

A handwritten signature in blue ink, appearing to read "Denis Pleau".
