Section 2: Status of Department's Operational Priorities for 2022

Priority	Status
Administration	<ul style="list-style-type: none"> • TMR radio project is moving ahead. Equipment has been received, and implementation meetings with Bell continue. Projected implementation is early October. • Operational Review Committee work is complete. Report is now being written.
Operations	<ul style="list-style-type: none"> • Geoffrey Fisher assumed the position of Deputy Chief of Operations on August 15, 2022. • Two new SOGs were drafted to assist with on scene decontamination and improve firefighter safety. The second gives guideline to the number of uniforms issued to a firefighter. • New auto extrication tools purchased through the 2022 Capital budget are now in service aboard three fire apparatus. This extends our coverage in instances of multiple MVC calls.
Training	<ul style="list-style-type: none"> • Multiple training sessions were held in August with career firefighters covering tactics in apartment buildings that have a built-in stand-pipe system. This will be a focus for improvement in equipment and training in 2023.

	<ul style="list-style-type: none"> • In June, a total of 180 total training hours were recorded. Training topics included: rope rescue, introduction of Pelvic Binders (medical training), live fire training (conducted in Riverview), and apartment building pre-planning. • In July, a total of 164.9 total training hours were recorded. Training topics included: VFIS driver course for three volunteer firefighters, wall breaching (firefighter survival), introduction to HOLMATRO extrication tools, aerial apparatus skills. • In August, a total of 238.4 total training hours were recorded. Training topics included: Blue Card Incident Command lab with one Chief Officer Certified. Level 1 Firefighter skill stations, Confined space equipment, and water rescue equipment.
<p>Fire Prevention & Education Report</p>	<ul style="list-style-type: none"> • John Malloy assumed the position of Deputy Chief of Fire Prevention on June 13, 2022. • Planning has commenced for a Fire Prevention week Open House on October 15th at Riverview Fire and Rescue. <p><u>Fire Inspections</u></p> <ul style="list-style-type: none"> • There was a total of sixteen (16) fire safety inspection conducted between mid June and end of August, a childcare facility, One residential Day Care, two Apartments for new openings, six (6) schools, one Liquor establishment, One AirBnB, two inspections of dilapidated properties, two complaints of hazardous properties. • Performed a residential check on residence and preformed a fire safety plan for resident of two autistic children. <p><u>Fire Prevention & Education</u></p> <ul style="list-style-type: none"> • Performed three Community Events Touch-A-Truck event and two Block Party events. • We conducted two tours of the fire station for a group of 4 yr olds and a group of teens. Did two fire truck tours at separate day care centres. • We conducted a fire station tour for a resident and his children who stopped by the fire station. <p><u>Fire Investigation</u></p> <ul style="list-style-type: none"> • There was one fire in a structure in August requiring investigation.
