

EXECUTIVE SUMMARY

DEVELOPMENT ACTIVITY REPORT

August 2023

The monthly Planning and Development report provides frequent up-to date information on planning and development requests in the Town of Riverview. It also provides a year-to-date total of development activity.

The following are the types of applications worked on this month. The number of building and development permits are reported based on permits being issued, while the remaining reported items are totals of applications received.

ACTIVE SUBDIVISION APPLICATIONS

There are two main types of subdivisions in Riverview Type 1 and Type 2. A type 1 subdivision involves the creation of lots on existing public streets, whereas a type 2 subdivision involves the creation of new public streets and services. The term parcel is used when a portion of a lot is being added to a lot.

RIVERVIEW PLANNING ADVISORY COMMITTEE (PAC)

The Riverview Planning Advisory Committee is a non-political group who provide input on land use planning related issues in the Town. Under the *Community Planning Act*, they provide advice to Council on amendments to the planning related by-laws and rezonings as well as the location of new infrastructure and lands for public purposes. The committee acts as an approval body on variances, temporary uses, conditional uses, similar or compatible uses and extensions to non-conforming uses. Please note that some proposals may contain more than one application (ie. a conditional use that requires a variance).
