**News: Riverview playground vandalism suspect arrested**  
Jun 12, 2023 — An arrest has been made four months after a playground in Riverview, N.B., was spray painted with swastikas.

The word *swastika* comes from **Sanskrit**: स्वस्तिक, **romanized**: *svastika*, meaning 'conducive to well-being'.<sup>[12][1]</sup> In **Hinduism**, the right-facing symbol (clockwise) (卐) is called *swastika*, symbolizing *surya* ('sun'), prosperity and good luck, while the left-facing symbol (counter-clockwise) (卐) is called *sauvastika*, symbolising night or **tantric**

including Germany, is prohibited by law.<sup>[B]</sup> However, the swastika remains a symbol of good luck and prosperity in Hindu, Buddhist and Jain countries such as Nepal, India, Thailand, Mongolia, Sri Lanka, China and Japan, and by some peoples, such as the **Navajo** people of the Southwest United States. It is also commonly used in Hindu marriage ceremonies and **Dipavali** celebrations.

## This Happened in Our CANADA, Thats what makes Canada Great

During **World War II**, the provincial government removed the Swastika sign and replaced it with a sign renaming the town "Winston." The residents removed the Winston sign<sup>[7]</sup> and replaced it with a Swastika sign with the message, "To hell with **Hitler**, we came up with our name first."<sup>[8]</sup>
