

Hand Delivered

April 6, 2024

Dear Town Council:

We, the Condo Owners of ACCC#6 located at 435 Pine Glen Road, strongly oppose the plan to redesignate and rezone PID 05005665 to a Commercial/Commercial Mix for the purpose of building three six-storey multi-unit residential buildings.

With the existing multi-unit residential buildings along the corner of Whitepine and Cleveland, the consideration of adding three six-storey apartment buildings bordering our property is not appropriate for our neighborhood.

We are thankful for our town and we believe that rezoning this property to allow for three six-storey apartment buildings is not acceptable for our residential area.

We would ask that you do not rezone this property to build these large six-storey multi-unit buildings

Thank you for your attention to this important matter.

Sincerely,

The home owners of Albert County Condominium Corporation #6
