1. Outline

1.1 Objective: The objective of the Housing Accelerator Fund’s Garden and In-Law Suite Development Grant (the “**Grant**”) is to encourage the development of accessory dwellings, in allowable zones, on properties already containing an existing single unit dwelling. The Grant is for the purpose of creating more homes, increasing housing options and affordability, and promoting an inclusive community within the town of Riverview. Development and application approval and funding must fully occur within the duration of the Housing Accelerator Fund program (February 16, 2024 – February 16, 2027) (the “**Funding Period**”).

1.2 Framework: The additional accessory dwelling unit may be the result of new construction, renovation, re-use, or re-purposing of existing buildings or space.

1.3: Benefit: A Grant amount of fifteen thousand dollars (\$15,000) per existing single unit dwelling, for a maximum of one (1) new accessory dwelling unit per property, is available to successful applicants once a final inspection is completed. The Review Committee retains the discretion not to disburse any amount, to disburse a reduced amount, or to make partial disbursements subject to conditions, should an applicant not fully meet the Grant criteria or fulfill their application commitments to the satisfaction of the Review Committee. The overall Grant budget is capped at one hundred and eighty thousand dollars (\$180,000) (12 units), with the possibility to revise if/once fully allocated. A property owner (including a joint property owner on title) is only eligible to receive one (1) Grant under the program regardless of the number of properties owned or developments being pursued.

1.4 Administration: The Town of Riverview shall establish an internal review committee consisting of one or more of: i) the Chief Administrative Officer, ii) the Director of Finance and Information Technology, iii) the Manager of Economic Development, and iv) the Senior Urban Planner of the Southeast Regional Service Commission , or their delegate(s), (the “**Review Committee**”) which shall be responsible for administering the Grant including reviewing applications (including the review of the submission materials), approving individual application funding, and determining the Grant amount for each successful applicant, based on the Grant criteria.
