RE: Tender 18-22 – The Supply of (one) 1 New 2018 4x4 Crew Cab Pick-up Truck (SPECIAL SERVICE VEHICLE)

Good day:

We have received the results for the new 2018 4x4 Crew Cab Pick-up Truck

Only two companies replied to the tender:

1. Taylor Ford : \$35,682.75 (including taxes and trade-in)

The vehicle is a 2018 F-150 (4x4) crew cab pick-up truck (Special Service Vehicle)

2. Moncton Chrysler Dodge: \$36,202.00 (including taxes and trade-in)

The vehicle is a 2018 1500 Dodge Ram crew cab pick-up truck.

Council had approved \$64,000 for this vehicle. Since the cost of the vehicle is lower than the approved budget and it meets the needs of the Fire Department, I recommend that we purchase of the 2018 F-150 from Taylor Ford for \$35,682.75 (including taxes and trade-in).
