The tender for the Byron Dobson Arena – Phase 2 – Facility Upgrade & Improvement – LED Lighting & Emergency Power, Tender 18-40A closed on Tuesday, May 1, 2018 at 11:00 a.m.

Two tender submissions were received of which one was determined to be non-compliant and was subsequently rejected.

The remaining compliant bid was received from Roadway Systems Ltd. in the amount \$155,500 (plus HST).

The budget for the work: LED Lighting Retrofit and Emergency Power is \$160,000 + HST.

MCW Maricor has recommended that the Town award this tender to Roadway Systems Ltd.

It should be noted that all work to be completed at the Byron Dobson Arena in 2018 is estimated at \$1,700,000. There remains one tender for fire safety still outstanding. All tender calls to date have been under the estimated budget.

I recommend the tender be awarded to the acceptable bid submitted by Roadway Systems Limited in the amount of \$155,500.00 (plus HST).

Colin Smith, CAO
