Re: Tender 18-77 and Tender 18-39
Supply of Two (2) New 2019 1-Ton Crew Cab (Gas) 4X4 Truck,
Chassis and Cab.

The following bid was received for the Supply of Two (2) New 2019 1-Ton Crew Cab (Gas) 4X4 Truck, Chassis and Cab:

Lounsbury Automotive Limited\$71,358.00 (plus HST)
(each truck \$35,679.00.)

Tender was reviewed to confirm completeness of the submission and all was found to be complete. These replace existing fleet vehicles in Public Works and Parks & Recreation.

I recommend the tender be awarded to Lounsbury Automotive Ltd. for the tendered amount of \$71,358.00 plus HST.

The budget for this tender is 55,000.00 (18-77) and \$60,000.00 (18-39) for a total of \$115,000.00. The box for each truck will be purchased separately and we expect the completed trucks will remain under budget.

Director Engineering & Works

I agree with the above-mentioned recommendation.
