*Hello Denyse:*

My name is Gene Seaman and I am the co-chair of the Moncton Ride for Dad. This is a Prostate Cancer Fund Raising Ride that we have done for 10 years now. Our date this year is June 25th with kick stands up and on the road at 2:00 PM. We are using the Atlanticade grounds as our starting point this year on Assumption Blvd. Then at the intersection with Vaughn Harvey a left turn takes us across the bridge to Riverview. A right turn then takes us onto Coverdale Road thru Riverview until we turn right onto the causeway to traffic circle. We exit the circle onto Salisbury Road stopping at Toys for Big Boys to break the large group into smaller groups with a timed gap in between these guided groups for road safety. I have attempted to do a map of route

In the past Riverview has assisted us with a fire truck blocking traffic at the intersection of Coverdale and Vaughn Harvey for safety reasons.

Any questions or clarifications please contact me at 902 694 4543 voice or text or 902 447 3276 home number or this email address.
