The Opportunity:

- Not sustainable due to ongoing funding shortfall past Dec 2019
- Cause - limited people resources
- Funding results to date:
 - \$20,000 - Masonic Community
 - \$5-10,000 - Local business & individuals
- Need \$55-60,000 ongoing funding for stable operation
- Net result: \$30,000 shortfall in operating costs past Dec 2019

Proposed Solution:

- Request Town of Riverview, City of Moncton and Provincial Government to each contribute \$10,000 per year for next 3 years
- Using the time this funding injection would allow, continue our ongoing efforts to increase the financial participation of local businesses, service groups as well as increase the size of our fundraising events
